This licence agreement (**Licence**) is a legal agreement between the Licensee and the Licensor. The start date is defined by the installation date of a software version that is delivered with this Stampack Xpress End User License Agreement. All previous End User License Agreements are superseded. In case of doubt, the End User License Agreement coming with the latest software version shall prevail.

Various capitalised terms used in this Licence are defined in Exhibit A (if the terms are not defined in the main body of this Licence).

WE LICENSE YOUR USE OF THE LICENSED MATERIALS ONLY ON THE CONDITION THAT YOU, THE LICENSEE, ACCEPT ALL OF THE TERMS CONTAINED OR REFERENCED IN THIS LICENCE.

By selecting the 'I Accept' button or other button or mechanism designed to acknowledge agreement to the terms of an electronic copy of this Licence, or by Installing, downloading, Accessing, or otherwise copying or using all or any portion of the Licensed Materials you (i) accept this Licence on behalf of the person for which you are authorised to act (e.g., an employer) and acknowledge that such person is legally bound by this Licence (and you agree to act in a manner consistent with this Licence) or, if there is no such entity for which you are authorised to act, you accept this Licence on behalf of yourself as an individual and acknowledge that you are legally bound by this Licence, and (ii) you represent and warrant that you have the right, power and authority to act on behalf of and bind such person (if any) or yourself. You may not accept this Licence on behalf of another person unless you are an employee or other agent of such other person with the right, power and authority to act on behalf of such other entity.

If you, the Licensee, are unwilling to accept this Licence, or you do not have the right, power and authority to act on behalf of and bind such person or yourself as an individual (if there is no such person), (a) DO NOT SELECT THE "I ACCEPT" BUTTON OR OTHERWISE CLICK ON ANY BUTTON OR OTHER MECHANISM DESIGNED TO ACKNOWLEDGE AGREEMENT, AND DO NOT INSTALL, DOWNLOAD, ACCESS, OR OTHERWISE COPY OR USE ALL OR ANY PORTION OF THE LICENSED MATERIALS; AND (b) WITHIN THIRTY (30) DAYS FROM THE DATE OF ACQUIRING THE LICENSED MATERIALS, YOU MAY RETURN THEM (INCLUDING ANY COPIES) TO THE ENTITY FROM WHICH THEY WERE ACQUIRED, ALONG WITH ANY RELEVANT PROOF OF PAYMENT, FOR A REFUND OF THE APPLICABLE LICENCE FEES PAID.

We license use of the Licensed Materials to you on the basis of this Licence. We do not sell the Licensed Materials to you. We remain the owners of the Licensed Materials at all times.

Variations to this Licence will not be effective or legally binding unless in writing and signed by or on behalf of us.

3. **Subscription.** We may offer, and Licensee may elect to acquire, Subscriptions for the Licensed Materials licensed to Licensee under this Licence (and such Subscriptions may include rights in addition to or different from those set forth in this Licence). Any Subscriptions are subject to the Licensor's specific terms and conditions, which are set forth in the applicable Subscription program terms and conditions (and in the event of any conflict, those terms and conditions shall take precedence over the terms of this Licence). You agree that if you request, accept, or make use of any Subscription, you will be bound by such terms, as they may be modified from time to time in accordance with the applicable Subscription program terms and conditions, and you agree to comply with those terms. You also acknowledge that we may require a further acceptance of such terms as a condition to providing Subscriptions.

Details and a publication of the executable and the source code of the derived StampackLibigl used by Stampack GmbH can be found in Exhibit A40.
4. The Licensor and its licensors and affiliates take all legal steps to eliminate piracy of their software products. In this context, the Licensed Materials may include a security mechanism that can detect the installation or use of illegal copies of the Licensed Materials, and collect and transmit data about those illegal copies. Data collected will not include any customer data created with the Licensed Materials, but may be personally identifiable data. By using the Licensed Materials, you consent to such detection and collection of data, as well as its transmission. We reserve the right to use TPM to protect the integrity and intellectual property rights of the Licensed Materials. commercial purposes, any means whose intended purpose is to facilitate the unauthorised removal or circumvention of such TPM. Any personally identifiable data collected as part of such TPM will be used solely to help enforce compliance with this Licence, and will not be used for sales or marketing purposes.

5. We warrant that at the date of this Licence our license of the Licensed Materials to you does not infringe the intellectual property rights of any third party provided that your use of the Licensed Materials is in accordance with this Licence.

## **V. LIMITED WARRANTY**

1. We warrant that:
  - (a) any medium on which the Licensed Materials are stored and distributed is (at the time it is supplied) free from defects in design, material and workmanship under normal use;
  - (b) the Software will, when properly used and on an operating system for which it was designed, perform substantially in accordance with the functions described in any User Documentation provided; and
  - (c) that any User Documentation provided, substantially describes the operation of the Software,  
for a period of 90 days from the date of installation of the Software (Warranty Period). If a defect in delivery medium occurs during the Warranty Period, you should contact the agent, reseller or distributor from whom you purchased the Software, who will replace it free of charge or provide an alternative delivery mechanism at their discretion, subject to confirmation of the original sale.
2. If, within the Warranty Period, you notify us in writing of any defect or fault in the Software as a result of which it fails to perform substantially in accordance with the User Documentation, we will, at our sole option, either repair or replace the Software, provide a suitable workaround or reimburse the Licence Fee, provided that you make available all the information that may be necessary to help us to remedy the defect or fault, including sufficient information to enable us to recreate the defect or fault.
3. The warranty does not apply:
  - (a) if the defect or fault in the Software results from you having amended the Software;
  - (b) if the defect or fault in the Software results from you having used the Software in contravention of the terms of this Licence; or
  - (c) if the defect or fault comes about as a result of or through lack of training on the part of the Licensee.
4. If you are a Consumer, this warranty is in addition to your legal rights in relation to Software that is faulty or not as described. You should seek legal advice from the relevant organisation in your country.

## **VI. LIMITATION OF LIABILITY IF YOU ARE A BUSINESS USER**

You shall use reasonable endeavours to prevent the unauthorised disclosure of any such information.
2. You shall not make, or permit any person to make, any public announcement concerning this Licence without our prior written consent (such consent not to be unreasonably withheld or delayed), except as required by law, any governmental or regulatory authority (including, without limitation, any relevant securities exchange), any court or other authority of competent jurisdiction.

2. If we fail to insist that you perform any of your obligations under this Licence, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.
3. Each of the conditions of this Licence operates separately. If any court or competent authority decides that any of them are unlawful or unenforceable, the remaining conditions will remain in full force and effect.

6. Future versions of the Software may include functionality provided by an existing Add-In. You agree to cease further development, except to remove competing functionality or any other development requested by us, of your Add-In if this occurs until such competing functionality is removed.
